Step 2: Print and complete the STEMI quiz. Work as a team of two (honor system) to complete the pre-quiz. Completion of this quiz is mandatory before you show up to your competency. See Brice or Theron for a copy of the quiz. Refer to the ECG Interpretation Guide in protocols to help you complete the quiz (<http://ozarksems.com/protocol-8-108-01.php>).

Step 3: Come to competency with a working knowledge of our Universal Patient Care and Chest Pain protocols. Your one-hour time slot will be filled with a review of the quiz and a couple scenarios where you manage patients with cardiac symptoms as a team.

- Chest Pain protocol (<http://ozarksems.com/protocol-2-220.php>)
- Universal Patient Care protocol (<http://ozarksems.com/protocol-2-924.php>)

All course locations are CMH IS Classrooms.
