

Pre-Hospital Trauma Life Support

Tuesday & Wednesday, July 26th & 27th, 2022

This 16-hour course is offered in a two-day classroom format, or as a one-day online and one-day classroom hybrid format. The eight-hour refresher course is offered as day two of this course.

Students successfully completing this program are also eligible to become a Bleeding Control Basic Instructor. BCON instructors educate the public in bleeding control. See bleedingcontrol.org to become an instructor.
