In such event, said Student's participation in the Practicum shall immediately cease; however, only School has ultimate control or discretion over any grades given to the Students.
6. **Non-Discrimination.** In the performance of this Agreement, there shall be no discrimination on the basis of race, national origin, religion, creed, sex, age, veteran status, or handicap in either the selection of Students for participation in the Practicum, or as to any aspect of the clinical training; provided, however, that with respect to handicap, the handicap must not be such as would, even with reasonable accommodation, in and of itself preclude the Student's effective participation in the Practicum.
7. **Indemnification.** Each party shall defend, indemnify, and hold the other party harmless from any and all claims, actions, liabilities, and expenses (including costs of judgments, settlements, court costs, and reasonable attorney's fees) resulting from, or based upon the negligent or intentional acts or omissions, or any failure to perform any obligation undertaken or any covenant by, the indemnifying party in this Agreement. Upon notice from the indemnified party, the indemnifying party will defend against, at its expense, any such claim or action, provided that the indemnifying party's selection of counsel shall be subject to the indemnified party's approval, and indemnified party shall have the right to participate in the defense and to approve any settlement.

8. **Term and Termination.** The initial term of this Agreement shall commence as of the Effective Date and shall continue for two (2) years or until terminated in accordance with the terms hereof. This Agreement shall automatically renew for successive two (2) year terms, not to exceed four renewal terms, such that the total life of this agreement shall be ten (10) years. Except as otherwise provided herein, either party may terminate this Agreement at any time without cause upon at least thirty (30) days prior written notice to the other party, provided that all Students currently enrolled or participating in the Practicum at CoxHealth at the time of such notice of termination shall be given the opportunity to continue such participation and the parties shall continue to perform under the terms hereof with regard to the Students, until the sooner of each Student's individual completion of the Practicum or three (3) months from the date of the notice of termination.
9. **Miscellaneous Terms.**
- A. **Change in Law.** In the event of any changes in applicable laws occur during the term of this Agreement which materially affect either party, such affected party may request renegotiation of the applicable terms of this Agreement by written notice to the other party. If no new agreement is reached within sixty (60) days of receipt of such notice, then either party may terminate this Agreement upon an additional thirty (30) days written notice. The parties further agree that in the event that legislation is enacted or a regulation is promulgated or a judicial or administrative decision is rendered that affects, or may affect, the legality of this Agreement or adversely affect the ability of either party to perform its obligations or receive the benefits intended hereunder, then, within fifteen (15) days following notice by either party of such event, each party will negotiate in good faith a substitute Agreement which will carry out the original intention of the parties to the extent possible in light of such legislation, regulation or decision. Failure to renegotiate the terms within the 15-day-period will result in automatic termination of this Agreement unless the parties otherwise agree in writing.
- B. **Severability.** Each and every provision, section, subsection, paragraph, and clause herein shall be separable from each and every other part hereof so that the invalidity of any part hereof shall not affect the validity of the remainder.
- C. **No Waiver.** No waiver of a breach of any provision of this Agreement shall be construed to be a waiver of any breach of any other provision. No delay in acting with regard to any breach of any provision of this Agreement shall be construed to be a waiver of such breach. Every right and remedy of each of the parties shall be cumulative and either party, in its sole discretion, may exercise any and all rights or remedies stated in this Agreement or otherwise available at law or in equity.

-
- D. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, it is agreed that the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent prepared the same, it being agreed that the agents of both parties have participated in the preparation hereof.
- E. Applicable Law. This Agreement shall be construed under and in accordance with the laws of the State of Missouri. Both parties further agree that venue shall be proper in the United States District for the Western District of Missouri, Southern Division, or the Circuit Court of Greene County, Missouri.
- F. No Assignment. The rights and obligations provided under this Agreement are not assignable without written consent of the non-assigning party. Any such assignment made or attempted without such required consent is void.
- G. Amendments. Amendments may be made to this Agreement only upon the mutual consent and approval in writing by both parties.
- H. Headings. Headings contained in this Agreement have been inserted herein only as a matter of convenience and in no way define, limit, extend or describe the scope of this Agreement or the intent of any provision hereof.
- I. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. This Agreement supersedes any and all prior or contemporaneous representations, negotiations, promises, covenants or discussions between the parties relating to the subject matter herein.
- J. Third Party Beneficiary. This Agreement is solely for the benefit of the parties and their respective successors and permitted assigns, and no other person has any right, benefit, priority or interest under or because of the existence of this Agreement.
- K. Successors and Assigns. All provisions of this Agreement are binding upon, insure to the benefit of and are enforceable by or against the parties and their respective heirs, executors, administrators or other legal representatives and permitted successors and assigns.
- L. No Joint Venture or Partnership. The parties agree that they are independent parties contracting together, and that nothing contained herein is to be construed as making the parties joint venturers or partners.

- M. Notices. All notices and other writings required or permitted to be given under the terms of this Agreement shall be hand-delivered or mailed, postage prepaid by certified or registered mail, return receipt requested, to the parties as follows:

6.060.77 - Mercy Emergency Department Clinical Agreement

CMH EMS Education Department may send interns to **Mercy Emergency Department**. All students will be scheduled with appointed clinical coordinator. Any employee has the authority to dismiss any intern from clinical time if deemed necessary. Immediate contact must be made to the training entity program director if an intern is dismissed. Primary patient care and safety is the responsibility of the clinical site agency. The clinical site agency has the responsibility for teaching interns and will permit interns to participate in procedures limited to the scope of practice for the licensure the intern is currently pursuing. All procedures will be conducted under the appropriate supervision of the clinical site agency staff.

If an intern is injured or exposed to blood or body fluids during clinical internship, the clinical site agency will follow its standard practices and shall provide the exposed intern the same counseling, testing, and immediate medication as it does for its employees. The clinical site agency will hold CMH and each intern harmless for any claim, suit, or other liability arising in connection with the performance of the intern under this agreement.

The clinical site agency will provide CMH EMS Education Department with an evaluation of the intern performance through written or online evaluations of the intern's competency.

ID name badges provided by CMH will be required to be worn by interns during their internship. Interns will be required to be in uniform during their internship. The clinical site agency may provide interns with different uniforms at its own cost if required, such as scrubs.

Only those interns who have met the following requirements will be eligible to attend clinical training:

- Background check completed by CMH Human Resources Department.
- Have liability insurance.
- Have attended HIPAA training.
- Have had all immunizations required of a healthcare professional.
- Have completed didactic and psychomotor training to prepare the student for the clinical experience.

To the extent that CMH EMS Education Department may be considered a "business associate" under the Health Insurance Portability and Accountability Act of 1996 Privacy and Security Rule, and to the extent Protected Health Information (PHI) is provided to interns and or instructors may access PHI in review of intern performance, CMH EMS Education Department agrees that it will use only a Limited Data Set (LDS) in the reporting gathered from and by interns in their clinical experience.

Any party may terminate this agreement at any time with 90 days prior written notice. Such termination shall apply only to future rotations of interns and shall not affect the current rotation of interns. This agreement does not create a joint venture or partnership, is not a third party beneficiary agreement, and creates no rights for interns.

WHEREAS, School, a private for-profit hospital, in its educational programs has the responsibility for the training of students (“Student”) who are enrolled in mutually agreed upon educational programs at School listed in Exhibit A (“Educational Programs”) and who require clinical experiences (“Clinical Experience”) in order to complete their professional development; and

WHEREAS, Parties enter into this Agreement for the purpose of affording Students the opportunity to participate in these Clinical Experiences with patients of Mercy and to provide School and its faculty (“Faculty”) with a site for the education of these Students. Sites for the education of these Students covered under this Agreement are: **all Mercy EMS service areas for Mercy EMS co-workers with prior approval from Mercy EMS leadership.**

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, School and Mercy hereby agree as follows:

1. TERM. The term of this Agreement shall commence on Effective Date set forth above and shall continue for an initial term of twelve (12) months. Thereafter, this Agreement shall automatically renew for an unlimited number of successive one (1) year periods unless terminated under the provisions of this Agreement.

2. SCHOOL DUTIES

2.1. ADMINISTRATION OF EDUCATIONAL PROGRAM. School shall satisfy all applicable accreditation guidelines for the Educational Program and will permit only those Students who have satisfactorily completed all applicable prerequisites of School's Educational Program to participate in the Clinical Experience. School shall have total responsibility for supervision of Students, planning and determining the adequacy of the didactic and practical educational experiences of the Students participating in the Educational Program as to theoretical training, technical and practical skills, professional ethics, conduct, standards, and behaviors. School shall further require Faculty serving on-site at Mercy to provide the appropriate level of supervision to Students to ensure that Students perform clinical services, as applicable, in compliance with all applicable standards of practice, federal and state laws and regulations and Mercy's policies, procedures, rules, regulations, and processes. School shall also require a member of its faculty or management staff to coordinate the Clinical Experience with a designated member of Mercy's staff ("Designee"). School shall, if requested, provide to Mercy administration an annual report which summarizes the activities of the Educational Program for the year and indicates to the extent to which the objectives of the course have been obtained. There shall be a continuing review of the Clinical Experience by School and Mercy. School shall continuously monitor and evaluate the performance of each Student and Faculty and shall remove any Student or Faculty who is not competent or qualified to participate in the Clinical Experience.

2.2. POLICIES AND PROCEDURES. Students shall adhere to policies and procedures of Mercy relative to matters which relate to the internal operation of Mercy. If applicable, Students shall also abide by attire and identification requirements consistent with Mercy policy. The attire shall be clean, neat, and appropriate at all times, and the cost of the attire or cleaning shall not be the responsibility of Mercy.

In the event adverse information is obtained from the criminal background check, School shall provide the information to Mercy after obtaining an authorization and release from the Student. Mercy may disqualify any Student from participation with Mercy in the event of an adverse report. In the event such authorization and release are not given by the Student, the Student shall be disqualified from participation in the Clinical Experience. It is the School's responsibility to ensure that any applicable drug screens have been completed and that Students with unacceptable results will not participate in Clinical Experience at Mercy.

2.4. STUDENT PROFESSIONAL LIABILITY INSURANCE. School shall secure and maintain at all times during the term of this Agreement, at its sole expense, general and professional liability insurance coverage in amounts of at least \$1,000,000 per occurrence and \$3,000,000 in the annual aggregate with an insurance carrier approved by Mercy covering School, its Students, and its employees. Both Parties will make their respective internal practices, books, and records relating to the use and disclosure of Protected Health Information available to the Secretary of Health and Human Services to the extent required for determining compliance with the Regulations. School agrees to have each Student sign an appropriate consent form when necessary to comply with FERPA and/or other laws for the exchange/disclosure of educational records and student health records between the parties.

4.4. ENDORSEMENTS. Neither Party shall use the name of the other in any promotional or advertising material unless review and written approval of the intended use shall first be obtained from the Party whose name is to be used.

4.5. REPORT CLAIMS. Each Party shall provide the other Party with immediate written notice of any claims, complaints, and inquiries arising under this Agreement. Each Party shall further cooperate with the other Party and its attorneys in the investigation and defense of such claims, complaints, and inquiries.

4.6. COMPLIANCE WITH EXTERNAL REQUESTS. Each Party agrees to provide reasonable assistance to the other Party and access by the other Party to each Party's information and personnel as necessary in connection with regulatory or accreditation reviews and any duly authorized state or federal government requests as necessary to verify the nature and extent of the affiliation of the Parties under this Agreement. School agrees for a minimum period of six (6) years after the last Clinical Experience contemplated herein has been completed, to retain this Agreement (including all amendments hereto) and any of School's books, documents and records, which may serve to verify the Clinical Experience covered by this Agreement.

5. TERMINATION

5.1. TERMINATION WITHOUT CAUSE. Either Party may terminate this Agreement at any time without cause by providing the other Party at least sixty (60) days prior written notice. In the event that this Agreement is terminated, Students who are participating in the Clinical Experience at the time of termination shall be allowed to complete such assignment under the terms and conditions herein set forth.

5.2. TERMINATION FOR BREACH/CAUSE. This Agreement shall terminate immediately upon the occurrence of any of the following: (i) the other Party breaches this Agreement and such breach is not cured within thirty (30) days after receipt by the breaching Party of written notice of such breach; (ii) either Party loses its license, accreditation or is convicted of a criminal offense related to health care or is listed by a federal agency as debarred, excluded or otherwise illegible for federal health care program participation; (iii) either Party no longer is able to provide the service for which this Agreement was sought; or (iv) if either Party fails to maintain insurance coverage as required by this Agreement. 6.060.80 - Polk County Central Dispatch Clinical Agreement

CMH EMS Education Department may send interns to **Polk County Central Dispatch**. All students will be scheduled with appointed clinical coordinator. Any employee has the authority to dismiss any intern from clinical time if deemed necessary. Immediate contact must be made to the training entity program director if an intern is dismissed. Primary patient care and safety is the responsibility of the clinical site agency. The clinical site agency has the responsibility for teaching interns and will permit interns to participate in procedures limited to the scope of practice for the licensure the intern is currently pursuing. All procedures will be conducted under the appropriate supervision of the clinical site agency staff.

If an intern is injured or exposed to blood or body fluids during clinical internship, the clinical site agency will follow its standard practices and shall provide the exposed intern the same counseling, testing, and immediate medication as it does for its employees. The clinical site agency will hold CMH and each intern harmless for any claim, suit, or other liability arising in connection with the performance of the intern under this agreement.

The clinical site agency will provide CMH EMS Education Department with an evaluation of the intern performance through written or online evaluations of the intern's competency.

ID name badges provided by CMH will be required to be worn by interns during their internship. Interns will be required to be in uniform during their internship. The clinical site agency may provide interns with different uniforms at its own cost if required, such as scrubs.

Only those interns who have met the following requirements will be eligible to attend clinical training:

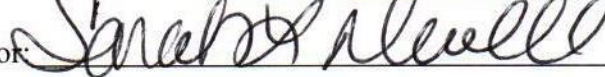

- Background check completed by CMH Human Resources Department.
- Have liability insurance.
- Have attended HIPAA training.
- Have had all immunizations required of a healthcare professional.
- Have completed didactic and psychomotor training to prepare the student for the clinical experience.

To the extent that CMH EMS Education Department may be considered a "business associate" under the Health Insurance Portability and Accountability Act of 1996 Privacy and Security Rule, and to the extent Protected Health Information (PHI) is provided to interns and or instructors may access PHI in review of intern performance, CMH EMS Education Department agrees that it will use only a Limited Data Set (LDS) in the reporting gathered from and by interns in their clinical experience.

Any party may terminate this agreement at any time with 90 days prior written notice. Such termination shall apply only to future rotations of interns and shall not affect the current rotation of interns. This agreement does not create a joint venture or partnership, is not a third party beneficiary agreement, and creates no rights for interns.
