II. Recitals

A. **AGREEMENT**: This agreement is made and entered into by and between Lake Regional Hospital, hereinafter known as LAKE REGIONAL, and Citizens Memorial Hospital, hereinafter known as CMH.

B. **PURPOSE**: The purpose of this agreement is to provide guidelines regarding the clinical experience of students enrolled in Emergency Medical Services (EMS) Academy (including, but not limited to: Emergency Medical Responder, Emergency Medical Technician, Paramedic, Critical Care Paramedic, and/or Community Paramedic) programs offered by CMH. It is to the mutual benefit of CMH and LAKE REGIONAL to provide satisfactory clinical experiences for students enrolled

in the programs at CMH. CMH and LAKE REGIONAL agree to the following provisions:

1. **REPLACING STAFF**: Students assigned to LAKE REGIONAL will have the status of "learners" and will not replace LAKE REGIONAL's staff employees or have final responsibility for patient care. LAKE REGIONAL will maintain at all times a sufficient level of staff employees to carry out its regular duties and, when appropriate, to provide adequate supervision of students. LAKE REGIONAL will retain complete responsibility for patient care. It is the expectation and desire of the parties that students will observe, assist, and apply skills and techniques in accordance with their abilities and skills, as developed during the course of their study.
2. **EMPLOYMENT EXPECTATIONS**: Students will be treated as trainees who have no expectation of receiving compensation or future employment from LAKE REGIONAL.
3. **BENEFITS**: It is understood and agreed that students are not employed by LAKE REGIONAL and therefore are not eligible for employee benefits including Workers' Compensation, life insurance, health insurance, or retirement benefits. CMH will provide Workers' Compensation insurance for CMH faculty and students in connection with their activities under this contract.
4. **NON-DESCRIMINATION**: Each party assures that it will not discriminate against any individual including, but not limited to, employees or applicants for employment and/or students because of race, religion, creed, color, sex, age, disability, veteran status, or national origin.
5. **EXPENSES**: LAKE REGIONAL shall have no responsibility to CMH for any expense, meal cost, laundering costs or medical expense of any student participating in any way connected with or relating to such student's participation, including any illness contracted while participating.
6. **DAMAGE**: All breakage, loss or waste of supplies, damage to facilities or equipment, and all damage to LAKE REGIONAL's property resulting from any act or omission of any student in the program shall be reported by LAKE REGIONAL to CMH.
7. **INJURIES**: LAKE REGIONAL will provide or refer for emergency medical treatment for students (and faculty, if applicable) in the event of accident or injury during assigned clinical experience. CMH will provide LAKE

REGIONAL with the name, phone number, and address of CMH's Worker Compensation carrier in the event of a student or faculty member injury.

8. **INSURANCE**: All students and other participants pursuant to this agreement shall have and maintain at no cost or expense to LAKE REGIONAL general liability and professional malpractice insurance for any act or omission of any CMH participant in the program having minimum coverage limits of \$1,000,000 per person and \$1,000,000 per occurrence for any and all claims made or arising out of events occurring during the term of the agreement. CMH shall provide written assurance to LAKE REGIONAL prior to commencement of performance of this agreement that all such insurance is issued and outstanding as herein provided.
9. **CONFIDENTIALITY**: The confidentiality of patient records and student records will be maintained at all times.
10. **POLICIES**: Students are subject to the policies and regulations of LAKE REGIONAL, and during clinical assignments, students will abide by the standards set for LAKE REGIONAL's employees in matters relating to patient care, along with LAKE REGIONAL's practices and policies, including confidentiality of all patient and employee related information.
11. **SAFETY TRAINING**: CMH agrees to provide "core" HIPAA (Health Insurance Portability and Accountability Act), Blood Borne Pathogen/Standard Precautions, and fire safety training to meet LAKE REGIONAL's requirements. Training will be provided by CMH to students and faculty as needed. CMH will provide to LAKE REGIONAL's a list of completed trainings and related student names upon request.
12. **VACCINATIONS**: CMH will provide LAKE REGIONAL with verification of student negative TB test and immunization status. CMH requires all students to be vaccinated (at least the first round of vaccinations, if multi-dose) for the following:
 - a. Measles, Mumps, Rubella, and Rubeola (MMR),
 - b. Seasonal Influenza (if between November and February)
 - c. Hepatitis B
 - d. Tetanus, Diptheria, and Pertussis (TDAP).
13. **OTHER VERIFICATIONS**: CMH will provide LAKE REGIONAL with verification of student current CPR certification, criminal background check, and urine drug screen results, if requested.

14. **ORIENTATION**: LAKE REGIONAL's personnel will orient CMH's instructors with LAKE REGIONAL's policies and practices prior to the arrival of students for field assignments.
15. **SCHEDULING**: LAKE REGIONAL shall determine the maximum allowable number of participants at any one time in any clinical setting, and shall control scheduling at all reasonable times of all clinical experiences and opportunities. CMH and LAKE REGIONAL shall meet periodically at mutually convenient times throughout the term of this agreement to coordinate routine administrative matters incident to this agreement.
16. **UNIFORM**: While working with LAKE REGIONAL, students will dress professionally in a uniform that is mutually agreed upon by both agencies. Students will display a photo ID issued by LAKE REGIONAL while performing clinical rotations. If LAKE REGIONAL does not provide photo IDs, a photo ID indicating student status will be provided by CMH. In the interest of student protection during education activities, CMH personnel on the scene of motor vehicle collisions or in other potentially hazardous environments will wear a PPE ensemble as indicated by LAKE REGIONAL's guidelines for PPE usage.
17. **CLINICAL COORDINATOR**: LAKE REGIONAL will designate an appropriate staff member to coordinate educational activities with CMH. CMH faculty will retain overall responsibility for the selection of appropriate learning experiences for students and the evaluation of student performance.
18. **PRECEPTORS**: LAKE REGIONAL will designate specific staff as preceptors or field training officers (FTO's) to facilitate students' learning during agreed upon clinical term(s).
 - a. **IN-HOSPITAL PRECEPTORS**: Students in hospital settings or other non-ambulance settings should be assigned a preceptor that is identified by LAKE REGIONAL as an employee who is an experienced practitioner and instructor for new hires and students to facilitate learning experiences.
 - b. **AMBULANCE FIELD EXPERIENCE FTOS**: Students riding on ambulances (not performing as team lead) should be assigned an FTO that is identified by LAKE REGIONAL as an employee who is an experienced practitioner and instructor for new hires and students to facilitate learning experiences.

c. **AMBULANCE FIELD INTERNSHIP MENTORS**: Paramedic students riding on ambulance in the final phase of their training must ride with an assigned mentor for a specified number of calls and with FTOs for the remainder of their field internship time. Field internship time is where the student acts as team lead. All mentors and FTOs in this phase must have documented preceptor training. Such documentation shall be provided to CMH by LAKE REGIONAL upon request. If LAKE REGIONAL does not have formal preceptor training, CMH can provide access to online education.

19. **ACCREDITATION SITE VISIT**: LAKE REGIONAL will maintain all standards that make it eligible for approval as a clinical site for instruction in a state-accredited program. LAKE REGIONAL will permit authorities responsible for accreditation of CMH's curriculum to inspect LAKE REGIONAL clinical facilities and services as necessary.
20. **STUDENT DISCIPLINE**: Students may be permanently dismissed from participation in clinical experiences at LAKE REGIONAL after the appropriate disciplinary policies and procedures of LAKE REGIONAL have been followed. LAKE REGIONAL may require any student to immediately leave its premises if LAKE REGIONAL reasonably believes the student poses an immediate threat or danger. LAKE REGIONAL and CMH will immediately notify the other of the removal of a student from clinical sessions. If LAKE REGIONAL is providing notice to CMH, it will provide an explanation of the basis for removal.

C. **DELAY**: The delay or failure of performance by either party will not constitute default under the terms of this agreement, nor will it give rise to any claims against either party for damages. The sole remedy for breach of this agreement will be immediate termination.

D. This agreement will in no way be interpreted as creating an agency or employment relationship between the parties.

III. Duration

- A. This agreement may be terminated by either party upon written notice to the other given not less than thirty (30) days in advance. Until such notice is given, this agreement will automatically renew annually.

IV. Execution
