## Vacation Requests

When requesting several days off in a row, we need for everyone to submit only ONE (1) request off instead of just the scheduled days that they work.

For example: You need the week of March 7th to March 13th off. Just submit the entire week as 1 request off (not 2, 3, or 4 individual shifts/days off.) This will cover your scheduled work days all at once.

Why:

- 🔊 We need to know exactly who is available/ not available to work during that block of time. (COVID)
- 🔊 It doesn't clutter up the Kronos Vacation inbox.
- 🔊 It is less time consuming on my end as I have to approve each one individually in Kronos, and then turn around and add to the ESO schedule.

Until both systems can be integrated, this will have to be the way we submit our time off. Any questions, please ask a Crew Leader, Supervisor or Manager for help!

Thanks,

Alice Roberts  
CMH EMS Northern Region Ops. Manager

Weekly update from meetings:

- Lengthy conversations from medical direction and the leadership team about demonstrating competence by staff. As we finalize solutions and improvements, we will share changes with at least 30 days notice to everyone.
- Dual oxygen systems are in process to get ordered for two trucks per month. This month's order has been made.
- Ipads in each ambulance is also in process and the first ambulance's setup has been ordered as a sample to see if the setup is what we want.
- Capital and operations budgets list have been finalized and forms are going to be done by this time next week for submittal to finance committees.
- Working on getting the CPAP/BiPAP equipment for the OTwo ventilators. Still working through MM to make the order happen.
- Fleet services department has staffing issues due to quarantine and illness. Be patient with them as they do their best keeping ambulances on the road.

## Paramedic Float Position Opening

We have a Full Time Paramedic Float position open. This float position is between Hickory and Osceola stations. The schedule is one day per week at each station. Schedule is working every other Sunday/Monday and every Wednesday. This position is offered in house until Jan 31st.

If interested or if you would like more information, please feel free to contact me.

Alice Roberts Paramedic  
CMHEMS Northern Regional Ops. Manager

**Folks, we MUST make sure we are securing the building, days and especially at NIGHT! Keep overhead doors down, front door LOCKED and inner door closed. We are finding these open too many times, and now with everything going on around us, we need to be vigilant about this. Any questions or concerns, please reach out to myself or one of the Chiefs or Supervisors.**

**Thanks Tom**
