Spring Competency

Below is a list of the registered staff for the STEMI competency Feb 9, 16 & 18. Remember, competencies are REQUIRED for all staff to complete each quarter. You must register on ozarksems.com.

In case there are hazardous roads tomorrow and you aren't able to make it to the competency you signed up for, there are openings to fit you in later in the day or next week. Please let me know if you are unable to make it to your time-slot and which slot you would like instead. *Theron Becker*
