

2/9/21 (@830)

Bolivar Staff

Meeting

Bonus checks for COVID

A bunch of transfers today

- Six pending right now

Billing is going well

Competencies today

- Update on competency requirement

When a truck is borrowed, make sure equipment is returned correctly

Cots fixed last week + one already breaking again

Contact leadership if equipment problem

Employee appreciation survey in email

Trying out iPad to trial

- Will probably get I-PADS for all ambulances
- Freedom
- Tango Tango
- ESO
- Orbcomm

Narc logs need to be accurate

Thanks for filling shifts

Make sure trucks are ready to go @ end of shift

No med cabinet key on 706 or key fob
or 703

Garage door openers not working @ EK again

PHS Huddle

- No ambulance accidents yesterday

Stockton LTC + Bolivar LTC occasionally still asking for COVID tests

Healthstreams constantly being added

Protocol discussion

FTO list for 2021 put out

Missi newsletter

Sharps containers going to be short supply

Get hospital turnarounds done as soon as possible

New intubation kits getting ordered this week

2021 vacation requests

Three new ventilators came in yesterday

- Circuits should be coming in
- Every station has an instruction manual
- Use free time to learn them

Please get on Slack

Truck PM going to 5,000 miles

Going to use WEX roadside assistance instead of waiting on B+B wrecker

Getting backup fuel card

Open positions available in 24-hour stations
