Management Team Communications

I have heard back from the Director of Ed Services. She apologizes for misinforming me on the RQI station. The place that it is now is only for temporary storage. They are moving it to their department. We can still use it, if we can find a quiet place like the community rooms, if they are not in use. Nursing is still looking for a room to move it to so the door can be shut.

Sorry about the misleading information,
Aaron Weaver, Paramedic
EMS Operations Chief
CMH EMS

Get ahold of a crew leader or supervisor if you need to leave a chart open past end of shift. Write ups will start happening for charts that are out for over 24hrs.

Most everyone is doing well on DRAATT. We are going to start focusing on the assessments. Marking "No Abnormalities" on everything is not a well-documented assessment.

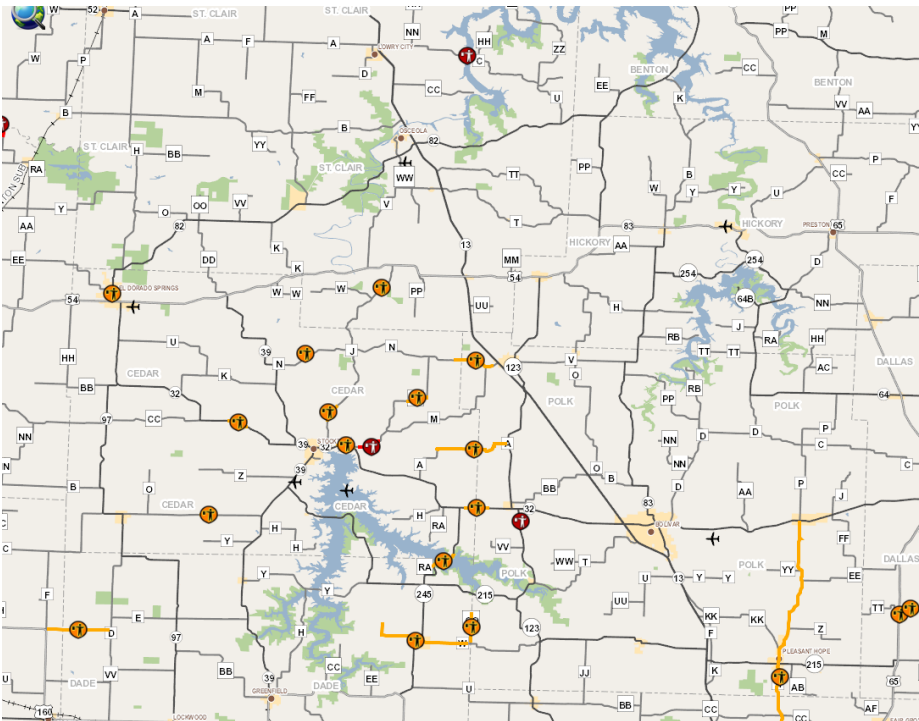

Also, just to throw it out there, we are trying to get half lockers for all full time employees in Polk County. It's over our capital budget to get all at once, unless everyone is willing to throw in \$25-30. This has to be everyone contributing or it won't work.

If your information from the LP15 absolutely will not download at all to your chart: Print it off and scan your 12 lead into your chart like we do face sheets. I have had to do this a couple of times the past couple of weeks.

Road Construction in the Service Area

Every TUESDAY at 0830

April 20	Hermitage
April 27	Stockton
May 4	Bolivar B Week
May 11	Osceola
May 18	El Dorado Springs
May 25th	ALL STAFF MEETING

DAILY SHIFT HUDDLE 845am daily

Congratulations James Purselley!

James passed his Paramedic National Registry!!

Thanks to Trent Stahlnecker for deep cleaning the kitchen at the Polk County Station!! - Comorgan

LAST MINUTE INFO:

There is now a 3rd computer set up for documentation use in the Polk County station. It is located by the printer.

Do not use LEMMON AVE. between 32 and 430th road. It is too narrow in spots. Thank you for your compliance.

All GASOLINE powered ambulances are to be fueled **with 91 octane**.
