## June Ventilator Competency

The June competencies will be held on June 8<sup>th</sup>, 15<sup>th</sup>, and 17<sup>th</sup>

We will be doing a simulation based competency that will incorporate using the ventilator.

Please review the ventilator protocol as well <https://www.ozarksems.com/protocol-8-936.php>

There is a test lung and test circuit in every station. Pull the vent out and get your hands on it, if you haven't already.

Please check your Healthstream for a pre-assignment to be completed before the ventilator competency. It is a short pre-quiz and instructions on how to sign up for a simulation time slot. The Healthstream is due in 30 days. Let me know if you have any questions.

Thank you

Brice Flynn & Theron Becker

**We will be having an employee appreciation lunch for EMS week after the all-county staff meeting on May 25th at 11:00am at the Polk county station! - Kellie Wilson**

- **National EMS Week**

May 16-22, 2021, is the 46th annual National EMS Week. In 1974, President Gerald Ford authorized EMS Week to celebrate EMS practitioners and the important work they do in our nation's communities.

This year's theme is This Is EMS: Caring for Our Communities.

For EMS week, we will be each receiving a gift from Management. A comfortable, light weight T-shirt.

Please message me your T-shirt size—this way I can ensure that you receive a shirt you will love.

Also—these shirts are for sale—you may purchase these shirts for \$10. So, if you would like additional shirts, please make arrangements with me to pay the additional \$10—there is no limit! Please have your sizes & orders to me by Wednesday!! 5/12/21

I accept cash, cash app, FB pay, Apple Pay, cash & debit! The back of the shirts will have the design below, and the front, over the chest will simply say CMH with a star of life.
