

May 31th

May Protocol Quiz due TODAY!

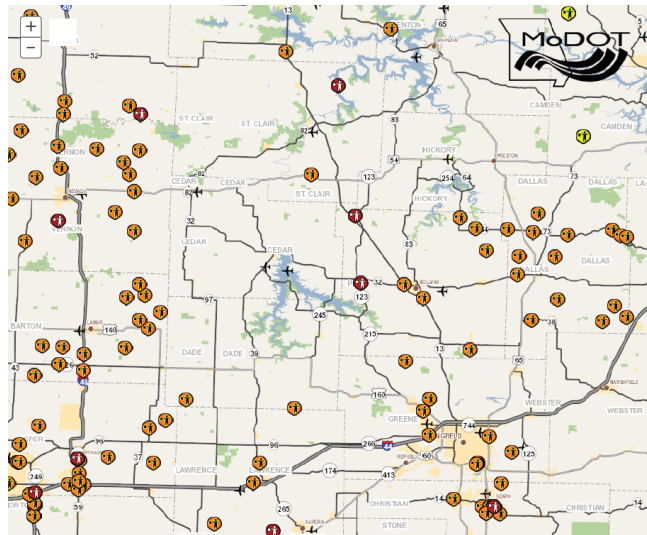

Welcome back to work Ray!
Thank you to everyone who helped cover all those shifts and for the thoughts and prayers while I was sick! ~Ray

<https://traveler.modot.org/map/>

There is a lot of construction going on. Be sure to stay up to date on what is going on around your response area.

~Keep an eye on the MODOT map~

MO-123 Bridge south of 32 closed May 25th-28th

Business 13 (Tilden) closed in Humansville between Ohio St and Sarah St May 20th-Jun 12th

Bridge on Hwy C in St Clair, between HH and NE 751 closed March 8th - December 1st

Resurfacing being done all over, with delays to traffic

Starting on June 7th the bridge over Stockton Lake/Sac River will be closed until December. It is located here, just outside of our response area going to Greenfield.

Clothing allowance renews next month, and Galls now gives us a flat rate of \$5 for shipping. Check your log in information to make sure it works. If you have trouble with it, get with Dawn for assistance. For all the new people, your allowance does NOT roll over, so check and make sure you're not leaving money on the table.
