

THE EMS BI-WEEKLY MONITOR

June 10th

Due to the current staffing shortages, we will be adjusting the Polk county schedule. More information to come after a plan is worked out.

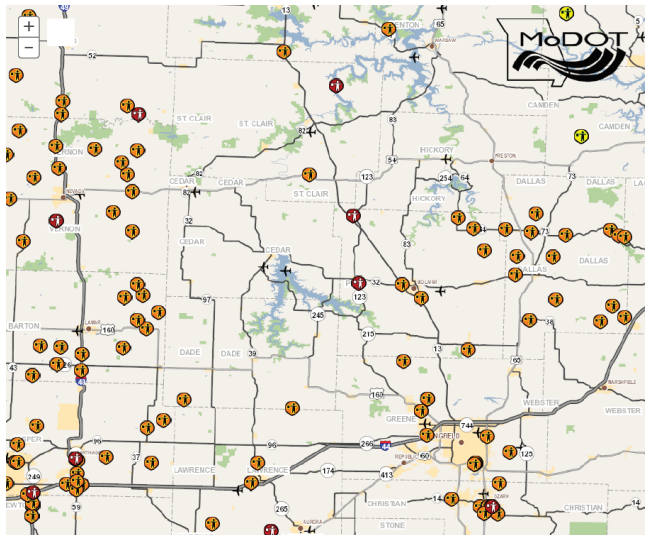

Thank you to everyone that has helped cover vacations and vacancies!

<https://traveler.modot.org/map/>

There is a lot of construction going on. Be sure to stay up to date on what is going on around your response area.

~Keep an eye on the MODOT map~

Business 13 (Tilden) closed in Humansville between Ohio St and Sarah St May 20th-Jun 12th

Bridge on Hwy C in St Clair, between HH and NE 751 closed March 8th - December 1st

Resurfacing being done all over, with delays to traffic

Starting on June 7th the bridge over Stockton Lake/Sac River will be closed until December. It is located here, just outside of our response area going to Greenfield.

*New masking
guidance sent out
via email. See your
supervisor if you
need your badge
buddy.*

All charts **MUST
be completed
within 24 hrs**

**More tablets are in,
currently with IS
getting set up. Still
waiting on some
mounts for in the
ambulances.**

Staff Meetings

**There will no longer be
weekly staff meetings until
further notice. We will be
passing information down
other channels, i.e. Slack,
morning huddles, supervisors,
crew leaders. As the need
arises, a staff meeting may be
scheduled. Next ALL STAFF
meeting is in September.**

*ALL GASOLINE
powered ambulances
are to be fueled with 91*

Have you finished your June protocol quiz yet?

<http://ozarksems.com/education-quizzes.php>

We are doing away with the approval process for uniform orders. This will take up to 48 hours so please try not to order anything for the rest of the week. I have also added the Leatherman raptor shears to the duty gear! -Kellie Wilson
