Please let someone know if you find one of the missing stethoscopes.

Kronos is still down. Make sure you are clocking in and out, contact Alice if you have any time clock issues.

Please get your charts done within the 24 hour timeframe.

Keep an eye on the construction in Hickory County. It will affect the main highways, the biggest being Pittsburg area will be completely closed off South of 64B. Calls in the Pittsburg area will have to be routed to Polk County during that time, the only way around is to enter Polk County to get South of the lake.

SEMA training posted to Slack if anyone is interested. You can also contact Morgan for details.

Make sure you have ice melt, extra thermal blankets, and your fluid warmer is working.

If you want to be an FTO this year get with a supervisor or manager.

FTOs get with Brice or Theron about helping streamline the onboarding process.

If you are interested in being an FTO for 2022, please check your email for links to make it happen.

If you get an alert on ESO about a cert expiring, it is most likely inaccurate. Get with Theron if you have any questions concerning your certs.

I listened to the new HandTevy bereavement podcast. It's worth a listen. There are several articles on this webpage that staff should look into in regards to pediatric deaths.
