Dear Theron,

Congratulations on your approval as an NAEMT TCCC Instructor! We are pleased to provide your NAEMT Instructor card below.

Your NAEMT instructor status demonstrates your commitment toward our shared mission to improve patient care through high quality, evidence-based education. We recognize that your role as an NAEMT Instructor is crucial toward achieving this mission.

As a reminder, in order to maintain your current instructor status, you must teach at least one TCCC course per year; complete all Instructor Updates; and maintain current contact information with NAEMT Headquarters.

NAEMT offers a 25% discount on membership to NAEMT Instructors. Visit the website for information on all the valuable benefits available, ([www.naemt.org](http://www.naemt.org)).

Thank you for your support of NAEMT education and the EMS profession. Please do not hesitate to contact us if we may be of assistance.

Dennis Rowe, NREMT-P  
President, NAEMT
